## PRICE LIST.

FALL 1909. SPRING 1910.

H. J. WEBER & SONS  
NURSERY CO.

NURSERY, MO.

NEAR ST. LOUIS, MO.

## INTRODUCTORY.

WE take great pleasure in presenting our 42nd Annual Price List covering the seasons of Fall 1909 and Spring 1910, quoting prices on the various Trees, Vines, Shrubs, Roses Evergreens, Perennials, etc., described in our Descriptive Catalogue issued in 1908. If you have not received a copy or have misplaced same, send for one, they are free.

We extend to our many patrons our sincere thanks for their liberal patronage and hope that we may continue to receive your valued orders.

Our Nurseries are located in St. Louis County, one and one-quarter mile from the Limits of St. Louis, on the Gravois Road right in the heart of the Truck Gardening section of St. Louis County. Our soil is of the "Loess Formation" and is specially adapted to the growing of strong, healthy trees and plants, with plenty of fibrous roots.

The packing facilities are the best of any Nursery near St. Louis, and all packing and filling of orders is personally superintended by members of the firm with the assistance of competent help, in the best possible manner; no distance too great for our mode of packing.

Our packing season in fall begins about October 15th, and extends to November 15th or until freezing up, and in spring from March 1st to about May 1st, according to weather.

We cordially invite you to visit our Nurseries, we are always pleased to show visitors through our grounds.

Our Offices will be open on Sunday during the months of October, November, March, April and May to accommodate visitors and customers who can not come on week days. During the months of December, January, February, June, July, August and September our Offices will be closed on Sunday.

Our plantings of ornamental stock are now the largest in the West, covering over 600 varieties; we are also Importers of special Ornamental stock. You will find our list a very complete one; if there are any varieties you desire and we do not quote them it would be well to write us about them.

We make a specialty of supplying stock for Parks, Cemeteries, Club and Institution grounds and private places, large and small.

Soliciting your correspondence, inquiries and favors, we are,

Yours very truly,

**H. J. Weber & Sons Nursery Co.**

**CLAUSE 17.—Selections.** Persons unacquainted with the different varieties can leave the selection to us, in which case we will select as if planting for ourselves.
